

# BATTERY POWERED GREASE GUN

- ✓ PERFORMANCE
- ✓ EFFICIENCY
- ✓ ULTIMATE SAFETY

NOW AVAILABLE

BATTERY ADAPTOR  
COMPATIBLE WITH

## Grease Gun Battery Powered

CE UK CA

## UNMATCHED FEATURES

Lithium-ion

**4,000**

mAh battery

Dispenses

**26**

Cartridges  
in free flow

Upto  
**300**  
gm/min

Max. Pressure

**10,000**

PSI

Charge Time

**2.5**

Hours

The new revolutionary Battery Powered Grease Gun

Powerful 20V high torque Motor

#### 2 Speed Design

Easy switch between high pressure & high volume setting to match application

##### a. High Pressure

Develops upto 10,000 PSI (690 BAR)  
Delivers upto 3 oz. (85 gms) / minute

##### b. High Volume

Develops upto 5,000 PSI (345 BAR)  
Delivers upto 10.5 oz. (300 gms) / minute

4000 mAh Lithium Ion Battery  
Fully charged battery dispenses upto 26 cartridges in free flow condition

#### Unmatched Safety

Automatic cut-off as soon as pressure unit is reached prevents against any accident

#### Pre-set Grease Discharge

14 pre-set positions to control specific grease outflow. Eliminates the use of a Grease Meter

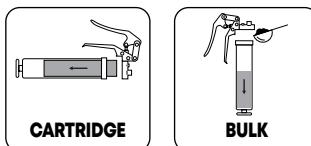

Rotate knob to set at pre-defined grease discharge

| POSITION | GREASE DISPENSED |       |
|----------|------------------|-------|
|          | (OZ.)            | (GMS) |
| 1        | 0.02             | 0.61  |
| 2        | 0.04             | 1.30  |
| 3        | 0.05             | 1.70  |
| 4        | 0.09             | 2.8   |
| 5        | 0.10             | 3     |
| 6        | 0.13             | 3.9   |
| 7        | 0.15             | 4.4   |
| 8        | 0.18             | 5.2   |
| 9        | 0.21             | 6     |
| 10       | 0.22             | 6.4   |
| 15       | 0.28             | 8.2   |
| 20       | 0.45             | 13    |
| 25       | 0.57             | 16.3  |
| 50       | 1.1              | 32    |
